### IEEE Communication Society Latin America Newsletter April 2020

Dear IEEE ComSoc members:

I am honored to share with you this first ComSoc Newsletter, which will be sent monthly so that we can keep in touch and learn about the events, opportunities and benefits that IEEE ComSoc offer to your members in Latin America and the Caribbean. We are clear about the four priorities that as a Technical Chapter we have set ourselves at the regional level:

1. ComSoc public visibility
2. Technical content
3. Membership
4. Industry engagement

Based on these priorities we will actively work to share content that is important to you and that you know that we as a Committee will be attentive to help you.

In this edition we have compiled information about the mission, goals and priorities and statistics so that we work aligned throughout Region 9. We also share awards, upcoming events, and resources that ComSoc offers and we invite you to take advantage of it.

I hope this is valuable to you and adds value to your professional development.

**Andrea Carrión H.**

IEEE Global Communications Newsletter

#### Mission ComSoc LA:

The IEEE Communications Society in Latin America promotes and fosters creation and sharing of information among the regional community in communications fields by stimulating, coordinating and promoting the activities of ComSoc chapters in the LA region
