IEEE ComSoc Latin America Newsletter

Jun 2020

IEEE ComSoc
IEEE Communications Society
Latin America Region

Dear IEEE ComSoc LA members,

In this edition, we invite you to meet new ComSoc LA Senior Members, we also announce the winners of the ComSoc Article Contest and encourage you to keep submitting your articles for dissemination.

This month the ComSoc Student Branches Presidents Meeting was held and we encourage you to participate in the ComSoc Student Competition.

We invite you to exercise your right to vote remembering that the ballot boxes will close on July 23. Finally, we share some resources and events that may be valuable to ComSoc LA members.

[Senior Members ComSoc LA](#)

Senior membership is the highest grade for which IEEE members can apply.

At ComSoc LA we have 150 Senior Members and this month we want to share with you the biography of 2 Senior Members who have stood out in their sections and in the region. The Communications Society congratulates his successful career!

**Eng. Héctor Poveda Ph.D.**

Doctor and Master in Digital Communications and Signal Processing from

the University of Bordeaux, France.

ComSoc Panama President and member of the ComSoc LA Board of Directors. Full-time professor at the Technological University of Panama.

Recognition awarded for its professional excellence. He has more than 30 publications on telecommunications issues and is a member of the Panama National Research System.

Eng. Fernando Merchán, Ph.D.

Doctor and Master in Signal and Image Processing from the University of Bordeaux, France.

Member of the "Sistema Nacional de Investigación" (SNI) of Panama.

Full-time professor at the Faculty of Electrical Engineering of the Technological University of Panama (UTP).

Congratulations for being elected IEEE Senior Member for his achievements and his career.

What's new at ComSoc LA?

IEEE COMSOC LA - ARTICLE CONTEST RESULT

1st place: Article "TeleWeek and Telecom 2020, examples of co-working in ComSoc Ecuador". By Román Lara, ComSoc Ecuador Chapter.

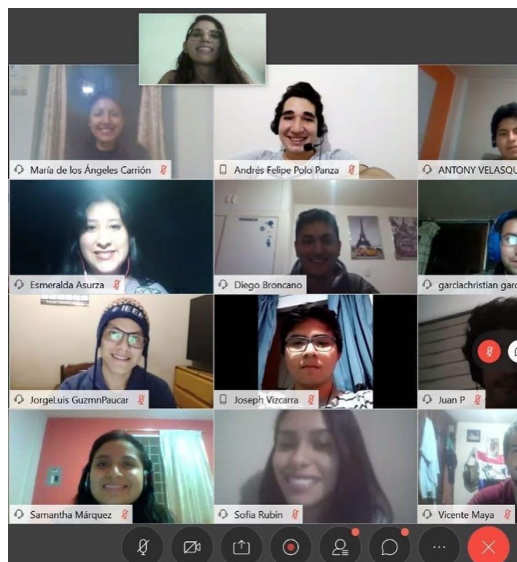

2nd place: Article "To a basket of the Study Branch IEEE ComSoc". By Ximena Condori,

ComSoc Peru Chapter.

Student Chapter Chair Meeting ComSoc LA

On June 22, the first meeting of presidents of the ComSoc Latin American student branches was held, where the leaders shared their visions about society and learned about the regional ComSoc board.

IEEE ComSoc Student Competition

Dedicated to the future leaders in communications and networking, IEEE ComSoc holds an annual student competition, encouraging communications engineering students to expand their knowledge, test and showcase new skills, and inspire innovation. The winning student (or student team) can earn up to **US\$2,000**. The team leader or the individual of the **First prize** will be invited to receive the prize at IEEE GLOBECOM 2020, Taipei, Taiwan, with expenses paid. [Learn more here](#)

Next events ComSoc LA

Next webinar

In this presentation we will talk about how by applying signal detection and classification techniques to manatee vocalizations we can identify them. We will see how using LoRa technology we can monitor them in real time. In addition, we will talk about how all this engineering can help save the West Indian manatee.
