

ComSoc & You

Name: Jose David Cely

IEEE Role: RSAC IEEE ComSoc LATAM

Email: j.d.cely@ieee.org

AGENDA

- IEEE Communications Society
 - Membership & Students
- Tour for resources
- Activity and Gift

IEEE COMMUNICATIONS SOCIETY

- Over 24,000 members in more than 149 countries.
- Mission: **Promote technology innovation and foster creation and sharing of information among the global technical community.**
- The Society provides services to members for their technical and professional advancement and forums for technical exchanges among professionals in academia, industry, and public institutions.

Paving the way for strategic and technical advancements in key areas including:

-5G -Fog Computing -Big Data
-Sustainable ICT -IOT - Fiber Optics

ComSoc Membership benefits

- White papers sponsored by tech companies
- Tech Forum
- ComSoc Technology News
- Global Communications Newsletter (GCN)
- IEEE ComSoc Technical Committees Newsletter

Valuable discounts on:

ComSoc conferences
Award-winning publications
Award-winning training courses

IEEE ComSoc Student Benefits

EXCLUSIVE OFFER*
FOR IEEE STUDENT OR GRADUATE STUDENT MEMBERS

**Join COMSOC for just
ONE DOLLAR!**

*Already a ComSoc Student or Graduate Student Member?
Renew now at the \$1 rate.*

*For 2020 membership year only.

*Join IEEE ComSoc
today and save*

50% OFF
membership dues!

Already an IEEE member? Add ComSoc for just \$16.50. Not an IEEE member? Join ComSoc as an Affiliate member for \$54.75.

www.comsoc.org/membership

IEEE ComSoc School Series

Designed to help kick-start the careers of new professionals, Ph.D. candidates, and researchers in wireless communications. Programs for these events consist of lectures by world leading professors, industry leaders and executives.

**IEEE
ComSoc[®]**
SCHOOL SERIES

**Last was in August 2021 in
Buenos Aires**

IEEE ComSoc School Series (Eligibility)

- **Be an IEEE Communications Society Student or Graduate Student Member**
- Not have previously attended a ComSoc School Series events
- Be proficient in spoken and written English
- A reference in the ecosystem.

IEEE
ComSoc[®]
SCHOOL SERIES

IEEE ComSoc Student Competition

The competition, Communication Technology Changing the World, recognizes students or teams of students who demonstrate the **capacity to improve the lives of people**, through the **application of communication technology** and the development of projects that meet the human needs of people.

Winners will be Invited to the IEEE Global Communications Conference (IEEE GLOBECOM) and will receive US\$2000 and a commemorative plaque.

IEEE ComSoc Student Competition (Eligibility)

- Originality
- Creativity in applying communication technology
- Social impact on humanity or local community
- Challenging technical aspects
- practical results
- Possible application in other parts of the world

IEEE ComSoc Young Professionals Benefits

*Provides a “technical haven”
for the graduating ComSoc
students*

IEEEComSocYP

@ieeecomsocyp

IEEEComSocYP

IEEE ComSoc YP Awards

- IEEE ComSoc Young Professionals Committee recognizes the best work on papers, abstracts, and innovations through awards given at Globecom flagship Conference.
- Best Young Professional Award is given for both industry and academia areas.
- **R9 ComSoc Young Professional Award: Plaque + \$1,000 USD**

ComSoc Conferences

- Flagships:

- Regional Conferences

- Core Conferences

Distinguished Lecturers

- Comsoc supports this program, covering the expenses of International travel up to US\$3.000, including airfare and food. Hotel and local travel is covered by the local chapter or section
- Groups eligible to participate in a DLT include:
 - established IEEE ComSoc Chapters in a section
 - local conference organizers
 - IEEE ComSoc members in an area where no **IEEE ComSoc Chapter exists**

Distinguished Speakers

- ComSoc's Distinguished Speaker Program (DSP) enables current and past distinguished lecturers as well as ComSoc officers, IEEE Fellows, and prominent speakers to schedule lectures while traveling on business trips at a much reduced cost to ComSoc.
- Is more flexible, but cover less (Up to US\$500). You can invite Comsoc Officers from LA to this program.

ComSoc Membership benefits

- In ComSoc, any person can join without been an IEEE member, this is the **Affiliate membership**.

Free electronic subscriptions to:

- IEEE Communications Surveys and Tutorials
- IEEE Journal of Lightwave Technology
- IEEE/OSA Journal of Optical Communications and Networking
- IEEE RFID Virtual Journal

Magazines:

- IEEE Communications Magazine
- IEEE Network (+)
- IEEE Wireless Communications (+)
- IEEE Communications Standards Magazine (+)
- IEEE Internet of Things Magazine (+)

Networking:

- Conferences (+)
- Local meetings and events
- ComSoc technical committees

ComSoc Latin America
