

IEEE LATINCOM 2023- CALL FOR TUTORIALS

Welcome

The IEEE LATINCOM is an international conference organized by the IEEE Communications Society (ComSoc) Latin America Region. IEEE LATINCOM is the most important conference on communications in Latin America; it is held annually and attracts submissions and participants from all around the world. This event will be an excellent opportunity to join together professors, researchers, industry and students.

In 2023, the 15th Latin-American Conference on Communications (LATINCOM) will be held in Panama City, Panama. Panama City is a modern metropolis endowed with a rich history. The unique mix of cultures that this city treasures allows it to offer something for everyone. Discover its historic center (Casco Antiguo), the financial area, the Metropolitan Natural Park, the Panama Canal Visitor Center, where you can view the ships crossing through the Panama Canal locks, the “Cerro Ancon” for an amazing view of the city from a Tropical Rainforest, visit the island of Taboga for a quick island getaway and so much more.

We look forward to meeting you online at IEEE LATINCOM 2023!

INSTRUCTIONS FOR TUTORIAL SUBMISSION:

Provide a document (PDF) describing the tutorial with the following information:

1. Title of the tutorial.
2. Abstract, objectives and motivation.
3. Timeliness and intended audience.
4. Name, affiliation, and a short biography of each tutorial speaker.
5. A description of the technical issues that the tutorial will address, emphasizing its timeliness.
6. An outline of the tutorial content, including its tentative schedule. Usually, the length of the tutorials is 4 to 8 effective hours but can be proposed as half-a-day or full-day tutorials.
7. If appropriate, a description of the past/relevant experience of the speaker(s) on the topic of the tutorial.
8. A description of previous tutorial experience of the speaker(s), and past versions of the tutorial.
9. Topics for the tutorials are the same as the CFP. You can check them [here](#).

Important Dates

– Submission of tutorial proposals: **July 14th, 2023**.

– Notification of acceptance: **September 7th, 2023**.

Submission:

Tutorial proposals must be formatted as the standard IEEE double-column conference template and submitted in PDF on EDAS ([Click here to submit your tutorial proposal](#)). Maximum 4 pages are allowed for each proposal, including all illustrations and references.
